

CHAPTER.....

AN ACT relating to courts; requiring courthouses to contain lactation rooms for use by members of the public under certain circumstances; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires each public body in this State to provide an employee who is the mother of a child under 1 year of age with a place, other than a bathroom, that is reasonably free from dirt or pollution, protected from the view of others and free from intrusion by others where the employee may express breast milk. (NRS 281.755) Existing federal law requires, with certain exceptions, that federal buildings, including, without limitation, federal courthouses, contain a lactation room that is made available for use by members of the public to express breast milk. (40 U.S.C. § 3318) **Section 1** of this bill enacts provisions based on this federal law to require each courthouse to contain a lactation room that may be used by members of the public to express breast milk. **Section 1** provides an exception to the requirement if the person who is responsible for the operation of the courthouse determines that: (1) the courthouse does not contain a lactation room for employees; (2) the courthouse does not have a room or other space that could be repurposed or privatized as a lactation room; or (3) new construction would be required to provide the lactation room and the cost of the construction is unfeasible. **Section 1** defines “lactation room” as a hygienic place, other than a bathroom, that: (1) is shielded from view; (2) is free from intrusion; and (3) contains a chair, a working surface and an electrical outlet. Additionally, **section 1** defines “courthouse” as any building or campus which houses one or more courts.

Section 1.5 of this bill makes an appropriation from the State General Fund to the Administrative Office of the Courts for allocation as grants to municipal courts, justice courts and district courts for the costs of complying with **section 1**.

2. (a) Prepare and transmit a report to the Administrative Office of the Courts on or before December 16, 2022, that describes each expenditure made from the money allocated pursuant to subsection 2 from the date on which the money was received by the court through December 1, 2022;

(b) Prepare and transmit a final report to the Administrative Office of the Courts on or before September 15, 2023, that describes each expenditure made from the money allocated pursuant to subsection 2 from the date on which the money was received by the court through June 30, 2023; and

(c) Upon request of the Legislative Commission, make available to the Legislative Auditor any of the books, accounts, claims, reports, vouchers or other records of information, confidential or otherwise, of the court, regardless of their form or location, that the Legislative Auditor deems necessary to conduct an audit of the use of the money allocated pursuant to subsection 2.

4. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2023, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 15, 2023, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 15, 2023.

2. Sections 1 and 2 of this act become effective on January 1, 2022.
