Statewide Outcomes for Children Who Exited Care in FY 2019

Short Stayers

This data is from the Fostering Court Improvement site. The entry dates vary. For the 72 hours and 30 days, these are for youth who entered care between October 2018 and August 2019. For the 12 months, these are youth who entered care between October of 2017 and September of 2018.

72 Hours
11% of children were reunified within 72 hours

30 Days
21% of children were discharged within 1 month

12 Months
49% of children achieved permanency within 12 months

Digging Deeper

Digging deeper into the data involves taking a look at all the available data and identifying places that you would like to know more about. One place to begin is exploring identified issues, such as findings from the Child and Family Services Review (CFSR). The last round of the CFSR (2018) found that Nevada has a challenge with timely filing of TPR and timely achievement of adoption. The graphs below illustrate some adoption measures with judicial district rankings.

Legally Freed October 2017 through September 2018 Adopted within 12 Months

Free for Adoption or Living with Family within 15 Months of July 2017 - June 2018 Removal

CFSR Measure During October 2018 - September 2019: Discharged to Adoption within 24 Months
